

## PRESIDENTS MESSAGE ...

Shalom,

This has been an interesting and exciting year at BAS. We have come together as a congregation and decided with our friends at TCP to investigate combining both synagogues in the hope of benefitting ourselves and the Jewish community of the Easton area.

Together we have already combined for services, educational and social functions.

We have just completed worshipping together on Rosh Hashanah and Yom Kippur. The plans are to continue this relationship, learn from the experience and build upon it in the future.

Thank you to Rabbi Melody Davis, Cantor Bob Weiner, Cantor Jill Pakman, the boards of both TCP, (especially President Mark Gutman) and BAS, as well as all of the congregants, employees and others who worked so hard to make the High Holidays successful.

Gail and I wish you all a Happy, Healthy, and Prosperous New Year.

Sincerely,  
Jerry Weisberger  
President
